DIVERSITY

Many Differences

- Diversity embodies much more than just gender, race, and ethnicity.

RESPECT is essential in building organizations.

- Value Differences
- Respect Boundaries
- Listen Actively
- Communicate Courteously
- Recognize and celebrate achievements

Ensure there is a systemic tool that will address issues such as

- Harassment
- Bullying
Cyberbullying
- Disrespectful or Unprofessional Behavior

Sustainment Toolkit

- Build on the momentum of LOCV
- Help your team build connections
- Drive Engagement
- Work more effectively and efficiently together
